

Premira & Allure

Album Design Templates

Open all files in **ADOBE PhotoShop**.

For all templates;

- the “white area” represents the visible image area.

For the square “single page” square templates; (*Premira_sq.psd* & *Allure_sq.psd*)

- the outermost guideline is the ‘cropping area’ for a 10 x 10 print.

For the rectangular, “two-page” spread templates; (*Premira_2pg.psd* & *Allure_2pg.psd*)

- Left Page – use the outside guidelines cropping from the left side, into the center guide at 11”
- Right Page – use the outside guidelines cropping from the right side, into the center guide at 11.125”
